

# The Friendly Horseman's Club

Dear Friends and Supporters,

The 2023 Show Season is fast approaching, and we have an exciting show schedule planned for this year! We will be holding our Fun Show Series, the Dressage Shows, and Miniature Horse shows, and will be continue our partnership with the East Coast Ranch Riding Association for our May Ranch Show.

We are a not-for-profit organization dedicated to safe, family oriented, horse related activities. Our club is made up of many devoted volunteers who take pride in keeping our club going. We have many upcoming events that are open to the public and spectators are always welcome! Our food stand is also open for all our events.

We are asking for your support of our club with a donation towards this year's annual Sponsorship Drive. This drive makes it possible for us to keep producing quality shows that are affordable to all members of the horse community and most importantly to our young riders.

Some of the ways your donations help, are to provide ribbons and trophies for riders, year-end awards, upkeep and maintenance of our show grounds, and the opportunity to support other horse related clubs like local 4-H and Therapeutic groups.

In 2022, with supporters like **you**, we were able to provide quality shows with a little bit of something for all horse lovers! Your support allows us to continue providing a place where friends and family can come together and share their love of horses.

Please apply my donation towards:
